NATURAL WONDERS DAY CAMP (NWDC)

WHAT IS NWDC?

- As one of our longest running programs, NWDC allows large groups of various ages to have an introductory nature experience. Camps are held at Fort Benjamin Harrison State Park and consist of a variety of outdoor activity stations that allow the students to explore outdoor recreation in a safe environment. Activities can include: fishing, nature hike, games, and canoeing.
- Your company/organization gets to support a meaningful program and engage your employees in a rewarding community service and team building activity, the youth get to have a life changing experience they would not normally get, and Camptown receives support in continuing its mission to reach under-served youth.

\$1000 SPONSORSHIP COVERS:

- Cost of camp for the day for a group of 30-60 children
- You can also send 6-12 volunteers to one of our camp days and get to see your sponsorship at work
- 8:30 AM-3 PM with lunch provided for your group
